

ASSISTANCE DOG FOR OLIVIA

Olivia's Assistance Dog will be trained by Assistance Dogs Australia to respond to over 50 specialised commands - specific to her needs.

It will provide physical and emotional support, retrieve dropped or out of reach items, open and close doors, cupboards and the fridge etc.

It will be trained in life saving 'Alert Barks' to bring help if Olivia ever feels unsafe or is in trouble - fallen out of bed or wheelchair.

Her special friend will also accompany her to school.

Thank you for your generous support of Olivia in her quest for independence with her amazing new companion.
