

### Mission and Vision Statement

**Vision:** *The Wheelchair Sports Association will be the best sports and recreation organisation for athletes with a physical disability in South Australia and will focus our endeavors on achieving world's best practice in all areas of sporting, recreational, organisational and fundraising activity.*

**Mission:** *The Wheelchair Sports Association's mission is to ensure that those with a physical disability are provided with maximum opportunity to participate in sporting and recreational pursuits. This involvement aims to ensure development of the individual member's full potential within a modern and relevant organisational framework that renders quality support and resources.*
